Shopping and Inspection Questions

Use these prompts when evaluating a specific RV. This worksheet supports a purchase decision; it is not a professional inspection report.

RV make, model, year, identifying details, and seller

_____

Questions to resolve before committing

- ☐ Does this rig meet our nonnegotiable needs and loaded-weight requirements?
- ☐ Have we reviewed maintenance records, known defects, and signs of water damage?
- ☐ Have we checked applicable recalls and asked about completion records?
- ☐ Is the independent inspection scope clear, including its limits and exclusions?
- ☐ Does the motorhome chassis need a separate qualified mechanical evaluation?
- ☐ Do we have the complete written price, fees, add-ons, and financing terms?
- ☐ Are deposit, refund, inspection, repair, and acceptance conditions in writing?

Record the answers that affect the decision

Issue or unanswered question	Who will verify it	Evidence or resolution

Required work and written agreement before acceptance

_____

Decision or next action and target date

_____

A seller's preparation check, an independent inspection, and an owner orientation serve different purposes. Keep the reports and agreements.
