# RV Comparison Worksheet

Compare actual rigs against your Step 1 priorities. Record evidence and unresolved questions rather than rating a brand by reputation.

**Candidate A make, model, year, and asking price**

_____

**Candidate B make, model, year, and asking price**

_____

| Requirement | Candidate A | Candidate B |
|---|---|---|
| Regular travelers and sleeping needs | | |
| Bathroom and kitchen access in travel mode | | |
| Mobility, privacy, work, and pet needs | | |
| Loaded weight and towing suitability | | |
| Storage and everyday usability | | |
| Campsite access and driving comfort | | |
| Condition and service history | | |
| Complete purchase and preparation cost | | |

**Unmet needs or questions that could rule out a candidate**

_____

**Next action and who will verify the answer**

_____

*Use exact vehicle ratings and an independent inspection. A good floorplan does not establish condition or towing suitability.*
