RV Resource Links

The resources from the back of the book, with live links. Websites and terms change, so confirm details at the source.

From Russ and Val

Megabytes.com/rv/resources Every form in the book as Word and PDF, plus updates to the book.

Megabytes.com/rv/store Our RV books and related information.

Our Amazon Store Our Beginners Bundle of must-haves and our RV Life Collection of gear we've used over the years. Check compatibility with your own rig before buying. As an Amazon Associate, we earn from qualifying purchases made through this link.

Our Amazon Book Store All of our titles.

Where RV USA on YouTube Videos from our first years of travel and lessons from RV life.

Where RV on TikTok RV, roadschool, and homeschool videos.

Home Education Revolution Homeschooling and roadschooling resources, plus RV lessons learned from more than eight years of full-time travel.

RV life resources

Recreation.gov Reservations at many federal campgrounds, including national parks, national forests, and Army Corps of Engineers lakes.

NRVIA.org The National RV Inspectors Association, with a directory of certified inspectors.

NHTSA.gov/recalls Vehicle and equipment recall lookups by VIN.

Escapees.com The Escapees RV Club, with education, mail forwarding, domicile information, and a large community of full-time RVers.

CATScale.com A locator for certified truck stop scales, where you can weigh your rig by axle, loaded the way you travel.

RVsafety.com The RV Safety & Education Foundation, with wheel-position weighing, tire inflation tables, and safety education.

Weather.gov The National Weather Service, with forecasts and wind and storm alerts for any town along your route.

BLM.gov/camping The Bureau of Land Management's guide to camping on public lands, including dispersed camping rules.

Campendium.com Campground and RV park reviews from RVers, plus free camping spots and dump stations. Many reviews note cell signal.

GoRVing.com Plain-language introductions to RV types, renting, buying, and budgeting.

TheRVgeeks.com Articles and videos from two full-time RVers on operating, maintaining, and repairing RV systems.

CampgroundViews.com 360-degree tours of campgrounds, so you can check roads, sites, and surroundings before you book.

NPS.gov The National Park Service. Each park's page has its current campground rules, reservations, size limits, and conditions.

RVMobileInternet.com The Mobile Internet Resource Center, with free guides to cellular, Wi-Fi, and satellite internet for RVers.

GasBuddy.com Current gas and diesel prices by station, plus a trip cost calculator.

TSD Open Roads A free app from TSD Logistics with fleet discounts on diesel at participating truck stops. Search "TSD Open Roads" in your phone's app store, and read the current terms before your first fill-up.

These sites and apps were current in October 2026. If a link stops working, let us know at WhereRVH@gmail.com.
