Motivation and Priorities Worksheet

WC-02 | Chapter 1 | Workcamper | Version 1.0

Decide what you want this season to provide and protect before you compare offers. Each adult can complete a copy before discussing answers together.

Write in the spaces or click a blank field to type in Word.

Name	Season or dates

Work

What would you like to do?

What work will you not take on?

Money

Do you need income, or is a site enough? What amount must the season provide?

Place

Where do you want to be? What must be nearby?

Time

How many hours a week can you give? For how many months?

Compare each offer with these answers before choosing a destination.

Name and season

Why this season

What makes this the right time? What do you hope the experience will add to your life?

My reasons

What it must provide

Choose the three things that matter most. Use your answers about work, money, place, and time.

Priority	What a suitable offer would provide

What it must protect

Think about health, family, privacy, days off, and the time you want to explore.

What I will protect

Talk it through

What needs agreement or clarification before you apply?
