Workcamping Resume Template

WC-05 | Chapter 3 | Workcamper | Version 1.0

Create one resume for each adult. Replace the prompts with concise facts and examples before sending it. Include contact details you are comfortable sharing.

Write in the spaces or click a blank field to type in Word.

Name and preferred contact

Availability dates and preferred locations

Relevant skills and the work you want

Rig length, hookups, and essential site needs

Experience that shows what you can do

Employer or project and dates	Role, work completed, and evidence

Relevant training, certifications, or licenses and expiration dates

---

References available with permission

Describe results accurately. Leave out sensitive identifiers, medical history, and information unrelated to the work. Review contact details and dates before sharing.
