Workcamper Readiness Assessment

WC-11 | Chapter 5 | Workcamper | Version 1.0

Assess readiness for this particular offer. Use Ready, Needs action, or Not suitable. A concern is a reason to plan or choose another offer, not a personal failure.

Write in the spaces or click a blank field to type in Word.

Name or participants	Season or date

Item	Status and evidence
I understand the actual tasks and physical demands.	
I can meet the schedule while protecting recovery time.	
The exchange meets my cash and site needs.	
The rig, route, and site are workable.	
Home responsibilities and care arrangements are covered.	
Each household member has had a say.	
I can change plans if the job or season changes.	
I have money and a place to go if I need to leave.
