Return Decision Sheet

WC-27 | Chapter 18 | Both | Version 1.0

Treat a return season as a new decision. Review the actual jobs, household goals, and next year’s operation before making a commitment.

Write in the spaces or click a blank field to type in Word.

Campground and next season	Participants and date

For you

Does this place still support your health, family, and travel goals?

For the owner

Does this worker still fit what the operation needs next year?

For both

What should change in pay, hours, duties, site, or dates?

New terms to review in writing and who will prepare them

Return, decline, or decide later and the response deadline

Backup plan if the next season is delayed or canceled

Do not assume last year’s agreement carries forward. Confirm new terms in writing before making travel or other commitments.
