Standalone Contingency Plan

WC-28 | Chapter 18 | Workcamper | Version 1.0

Keep this page where you can reach it if the season changes. Use contact names and secure record locations instead of account numbers or medical details.

Write in the spaces or click a blank field to type in Word.

Household	Updated date

1. Money: about two months of living and travel costs, target and available reserve

2. Current resume: online profile, paper copy, and last update

3. Backup leads: contacts, alternate jobs, and a place to stay

4. Repair and towing plan: provider, contact, coverage, and RV needs

5. Medical and home base plan: where to park, care contact, and route home

What event makes us change plans and who needs to know?

First action, person responsible, and next review date
