Expectation Reality Check

WC-10 | Chapter 5 | Both | Version 1.0

Describe the same job on a good day, an ordinary day, and a hard day. Compare the worker's expectations with the owner's actual operation.

Write in the spaces or click a blank field to type in Word.

Role and participants	Date

Day	Workcamper expectation	Owner description
Good day		
Ordinary day		
Hard day		

Five reasons to slow down

Check	Item	Evidence or next action
	Duties change each time you ask	
	No clear hours for each person	
	No description of the actual site	
	Known hazards are waved away	
	Days off seem optional	

Mark Yes, No, or ?. Record the evidence and resolve any concern before agreeing.

What must be clarified or changed before either side agrees?
